

PLEASE do not weaken the Do Not Call Bill, It is so nice not to be harrassed by the phone when I get home from work. If I want to contact anyone it should be when I want. I get enough 'junk mail' from unwanted companies, I don't want them calling me also. I use to get calls as late as 10PM! now I don't, my home has returned to be my safe haven! thank you, RD House1
